

**Amendments to the Specification:**

Please replace the title of the invention on page 1, beginning on line 1, with the following:

--SYSTEM AND METHOD FOR RENDERING FONTS FOR TABBED PAPER STOCK ON  
A NETWORK--

Please replace the paragraph beginning at page 5, line 8, which starts with “In a preferred embodiment, the rendered font images...” with the following replacement paragraph:

In a preferred embodiment, the rendered font images are deleted from the font repository based upon a passage of time via any suitable means at step 224. In one embodiment, the font images are deleted if the font images are not used or selected within a predetermined time period, such as sixty days. The predetermined time period is suitably selected by selected user, such as an administrative user, via any suitable means. In another embodiment, the system includes a mechanism or means adapted for the user to delete any unwanted rendered fonts from the font repository via any suitable means. In a preferred embodiment, an administrative user may limit the ability of a user to only delete certain fonts, such as those fonts selected and stored at the request of such user.
